FIG. 2

Extended Topology Zone Configuration Test

Complete results, including zone contents, can be found in the
file: /var/opt/OV/tmp/etzonetest.out

Zone Contents

Zone Number	Node Count	Additional Information
1	94	Exceeds recommended maximum zone size: 50
2	4	N/A
Default	0	N/A

Multi-zone nodes: 4

NNM Nodes Not Exported to Extended Topology

Reason	Node Count
Definitions in /etc/opt/OV/share/conf/nnmet/bridge no Discover:	0
Unmanaged in NNM databases:	0
